Dear New Patient:

Thank you for making an appointment with our office.

In addition to these forms, it would be extremely helpful if you could contact any doctor offices you have been to in the last year and have them fax us any medical records to the above number. We have found it most reliable if you pick these records up and bring them yourself.

We accept most insurances. The exception to this is that we are not a participating provider with DSHS (medical coupons) or with any form of basic or Apple Health. We ask that you contact your insurance to make sure that our Physicians (Arinola Dada or Kent Ta) are participating with your plan.

You will need to be sure to bring a copy of your insurance card with you as well as any co-pay that may be due. We will check at the time of your appointment to see if you have any out of pocket cost, if you do, we will require payment at that time. Our office accepts cash, check, money order, and VISA/MC only. Our office requires that you have a primary care physician (PCP). It is your responsibility to check with your insurance prior to your visit in regards to any specific requirements they may have for you to see a specialist. If a referral is required, and not here, the visit may be your full financial responsibility.

We can only reschedule your New Patient appointment once. Cancellations require 24 hours' notice or you will be charged a no-show fee of \$100.00 for all appointment no-show/no-call including any follow-up visits.

Directions to our office are:

- From the North** - take 405 southbound and take the NE 8th East exit. Get way over to the left lane and turn left at the light (NE 8th). Go thru the next 2 lights and we are the 3rd driveway on the right.

- From the South** - take 405 northbound and take the SE 8th exit. Stay to the left and at the light (116th Ave) turn left. Continue straight until you see Whole Foods on the corner. Go straight thru that light as well as the next two and we are the 3rd driveway on the right.
